---

## EDUCATION

Riverside High School, Greenville, SC.

Diploma, May 2026 | GPA: 4.8 | SAT: 1540.

## EXTRACURRICULAR ACTIVITIES

### Pride of Riverside Marching Band, Riverside High School

January 2022-Present

Battery Captain/Center Snare

- Demonstrated leadership by training and leading the percussion section, ensuring high technical standards, and making significant contributions as a key performer.
- Chosen as Center Snare to lead and keep over 50 members in time while marching in the London New Year's Day Parade 2025.
- Chosen as Battery Captain/Center Snare during fourth year Marching season (currently ongoing), entailing:
  - Make sure every member knows their part using passoffs (a member "passes off" by playing their part by themselves)
  - Coordinate with drum majors to keep the entire band in time at every rehearsal and competition.
  - Coordinate and cooperate directly with other band leadership and staff on musical interpretation, choreography, and overall visual effect.

### Chess Club

August 2024-Present

Senior Officer

- Helped organize several chess tournaments with multiple participating schools.

## ACHIEVEMENTS

- Placed 2nd Place in National NorthSouth Foundation Computer Science Competition, 2024.
- Received Honorable Mention at SCMTA States 2024 for Piano.
- Anderson University Scholar from the Class of 2026.
- Collegeboard National Recognition Scholar.
- Member of National Honor Society, 2024-2026.

## VOLUNTEER

### Greenville Drive Concession Stand

October 2023-Present

Seasonal Volunteer

- Used strong interpersonal communication skills to convey information to others.
- Supported engaging, fun, and smooth-running events by helping with organization and planning.

### SAT Tutor

August 2024-Present

- Evaluated student strengths and weaknesses and maintained log of improvements.
- Conducted review sessions to help students prepare for tests.

## SKILLS

- Experienced in Python, Node.js, front-end web technologies.
- Intermediate-level Java, React and React Native expertise.

## PROJECTS - <https://neildembla.com/projects>

- Made fullstack websites for multiple purposes using different Web Dev technologies including HTML/CSS/JS and React.
- Made and continues to maintain the website for SCIAPA (South Carolina Indo-American Psychiatric Association)
- Developed cross-platform iOS and Android app called Met Maestro.
- Made several cross-platform browser extensions
